A VALUABLE PURCHASE.

World's Record Holstein Bull Comes to Caledonia County.

E. B. Wild of East Barnet and R. T. Eastman of Groveton, N. H., attended the sale of Holsteins at Springfield, Mass., Oct. 18 and 19, and purchased a carload of choice cattle. Among the number is the fine young bull, Imperial King Korndyke 3rd, whose dam, Zady Bergama Clothilde DeKol, made 703 pounds of milk and 31 pounds of butter in seven days at four years of age, and her dam Zady Bergama 2nd Clothilde, made 835 pounds of milk and 32 pounds of butter in seven days.

This seven day record is the largest ever made by any cow and her daughter under five years of age. These two cows also gave 6,426 pounds of milk in 30 days, which is the world's record for any cow and daughter of any age or breed.

Besides his wonderful breeding Imperial King Korndyke 3rd is a splendid individual, and will be the junior sire in the large herds of Mr. Wild and Mr. Eastman, who are also owners of King Korndyke Maid, now conceded by good judges to be the finest bull in America.

Mr. Wild also brought home several fine young heifers and the great four-year-old, Belle Champion DeKol, who already has an A. R. O. record of 568 pounds of milk and 27 pounds of butter in seven days.

Caledonia county can now boast of two of the very best Holstein bulls in America, considering their individuality, wonderful breeding and great records.

San Felice Cigars

FIVE CENTS STRAIGHT
AND WORTH IT!

Owing to the greatly increased cost of quality tobacco, in fact everything pertaining to high grade cigars, the makers of the San Felice cigar, The Deisel-Wemmer Company, have advanced the selling price to the jobbers and dealers, and henceforth this cigar will positively be sold to the consumer at 5 cents straight instead of six for a quarter as previously.

THE SAN FELICE is national in its scope and character, having justly attained this eminence through its unexcelled excellence. To maintain this unequalled standard of quality, the advance in question is absolutely unavoidable. The generous support of all men using quality cigars is earnestly desired.

ST. J. A. LOSES.

Superior Offensive of N. H. Team Results in 13 to 0 Defeat of Locals.

St. Johnsbury Academy dropped the last game of the football season at Littleton, Saturday, to its rival, Littleton High school, by a score of 13 to 0. Littleton's victory lay in the superiority of its offensive in the first half of the encounter. In the last half, however, the line of the green and white was a stone wall for any mode of attack which Littleton used.

The Game

"Buck" Farnham received the kick-off for St. J. A. and was downed on the 20-yard line. Littleton got the ball on a punt by the green and white and after an incomplete forward pass Strong of Littleton made a pretty 50-yard run for a touchdown. The attempt for a goal failed. Ricker received Littleton's kick-off but the period ended with the ball in Littleton's possession on downs at the St. Johnsbury 25-yard line.

Score—Littleton H. S., 6; St. Johnsbury 0.

Second Period

By a series of line plays for substantial gains Littleton made its second touchdown and followed with a goal. Littleton was leading 13 to 0 when time was called. The third and fourth periods were featured by the marked improvement of St. Johnsbury in every department of the game. Both teams were subject to penalties for over-eagerness to plunge into the fray. In these two periods St. Johnsbury was especially weak in offensive, due to the frequent and unsuccessful use of the forward pass; while her defense was decidedly improved by her better team-work. Littleton's victory was, in every sense of the word, clean cut and earned and St. Johnsbury's defeat was disheartening because when the game ended her team, even with defeat facing it, was fighting harder than at the start.
